Summary of reasons for decision:

This is a double photographic image of a naked young girl lying on a bed cover. In one picture she is on her left side; in the other she is on her back. Her eyes are open and she is staring at the camera in both.

This is deemed to be objectionable for the purposes of the 1993 Act as "tending to promote or support the exploitation of ... young persons for sexual purposes" within the meaning of s3(2)(a) of the Act.
